Details...

Meet at nine in the morning at the Humboldt Bay National Wildlife Refuge visitor center at 1020 Ranch Road in Loleta. You may check out binoculars from the visitor center. Your bird walk leader will have a spotting scope available to share. Bird walks usually last an hour and a half to two hours and cover about two miles. Beginners are always welcome!

For more information, contact the visitor center at (707) 733-5406 or visit <http://www.fws.gov/humboldtby/>
